Mumbai, Maharashtra, India | atomizerv5@gmail.com | +91 8850412183 | [GitHub](#) | [LinkedIn](#)

Professional Summary

Creative AI Specialist bridging the gap between hard technical constraints and artistic vision. With a background in filmmaking and creative direction, I bring a director's eye. Proven ability to deliver technical excellence, with a good mathematical knowledge. As Head of Creativity at Kalavrund and an AIESEC volunteer, I excel at leading diverse teams and translating complex technical concepts into compelling visual narratives.

Education

Bachelor of Technology in Artificial Intelligence and Data Science

June 2022 – June 2026

Shah and Anchor Kutchhi Engineering College

CGPA: 7.5/10

Professional Experience

Generative AI Research Intern, National Stock Exchange of India

July 2025 - Sept 2025

- Led development of a multilingual real-time translation system using IndicTrans2
- Achieved 95% BLEU translation accuracy and 60% latency reduction via FastAPI + SQLite caching pipeline
- Deployed scalable Node.js + FastAPI architecture, replacing outsourced translation services and saving 75L annually. Ensured compliance with SEBI and internal data security regulations during deployment.

Junior Manager Outgoing Social Sector, AIESEC in Mumbai

Jan 2024 - July 2024

- Significantly strengthened effective communication skills by collaborating with diverse, highly interactive AIESEC members, overcoming social awkwardness through consistent engagement and teamwork.
- Built and nurtured international relations by coordinating with multiple Local Committees across the globe, engaging with leaders from different cultures and expanding a strong global network.
- Played a key role in organising and coordinating an inter-LC meeting in Daman Diu, contributing to planning, collaboration, and on-ground execution to ensure a successful and engaging experience.

Technical Projects

Creative Writings | *Poetry & Expressive Writing*

[Creative Writing Portfolio](#)

- Authored emotionally expressive poems that articulate complex human feelings, relationships, and internal conflicts with clarity and depth.
- Skilled in transforming abstract emotions and real-life scenarios into vivid imagery and relatable narratives through carefully chosen language.
- Experienced in crafting both long-form narrative poems and short-form free verse, balancing artistic creativity with thematic coherence.

Creative Event Management & Theme Design – Kalavrund College Artist Club

Head of Creativity Team

- Led brainstorming and conceptualization of innovative event themes, ensuring originality and strong audience engagement.
- Designed visual and experiential concepts for cultural events, blending artistic vision with practical execution.
- Managed cross-functional teams, coordinated planning timelines, and oversaw on-ground execution of my college-level events.

Achievements

- Creative Head – Kalavrund Art Club, organized 10+ events fostering collaboration and innovation.
- Helped in organizing the event for AIESEC in Mumbai by giving creative inputs and providing inputs for the Mood of the event.
- 2× Hackathon Winner (AI/ML) – Outperformed college teams with predictive modeling and GenAI solutions.
